

CROSSBARN

PAUL HOBBS

2012 Cabernet Sauvignon, Napa Valley

"Farm life instills in one a deep sense of respect for family, a love of the land and the joys of collaborative effort. Our CrossBarn wines are a reflection of these ideals and of our commitment to sustainable vineyard practices and gentle winemaking techniques. The "cross barn" was nestled in the middle of our one hundred fifty year old family farm in upstate New York. A favorite haunt for my siblings and me, it took on a life of its own and remains in our memories as a place of great mystery and adventure."

Paul

Produced using hand-harvested fruit from carefully selected vineyards in prime appellations in the Napa Valley, CrossBarn Cabernet Sauvignon offers structure and weight in balance with pure, concentrated fruit.

Winemaking

- Hand-harvested, hand-sorted
- 27-day total maceration, 5 day cold soak
- Primary fermentation using selected yeasts
- Native malolactic fermentation
- Aged 20 months in French and American oak barrels, 14% new

Growing Season

The 2012 growing season has been described by many as "textbook perfect". Temperate summer days moderated plant growth, contributing to smaller cluster and berry size during lag phase, leading to increased concentration of flavors. An idyllic Indian summer finished the maturation process, producing fruit with exceptional character and intensity.

Notes

- Color: Saturated crimson
- Aroma: Black raspberry, boysenberry, violets, caramelized tobacco leaf, spicebox, pencil shavings
- Flavor: Concentrated, juicy red fruits, damp earth, cedar, baking spices
- Texture: Round and focused with sweet, fine-grained tannins and a long, slate-like finish
